

“Wine is one of the most civilized things in the world and one of the most natural things of the world that has been brought to the greatest perfection, and it offers a greater range for enjoyment and appreciation than, possibly, any other purely sensory thing which may be purchased.”

“We thought of wine as something as healthy and normal as food and also as a great giver of happiness and well-being and delight.”

“Drinking wine was not a snobbism nor a sign of sophistication nor a cult; it was as natural as eating and to me as necessary.”

Well known wine quotes by Ernest Hemingway. American novelist, 1954 Nobel Prize in Literature winner, journalist and sportsman with an adventurous lifestyle. A prolific drinker notoriously known for his tumultuous affair with alcohol, his knowledge on this subject is impressive indeed.

Here at Secret Kitchen Chinatown, we share similar views. Our extensive wine list consists of wines of different grape varieties and wines styles including, a wide array of highly sought after Penfolds and Henschke reds which had been painstakingly sourced and meticulously cellared for your enjoyment. There is also a range of both local and international beers and spirits; you are bound to find a drink or two for your discerning palate.

Maybe, cocktails or beers are more appealing. Or alcohol free mocktails for the designated driver. Perhaps one of the many Secret Kitchen's premium tea selections on the last page for some extra health benefits and a different experience?

Do feel free to peruse through our list or consult our friendly staff for some suggestions or assistance.

Thank you and do drink responsibly.

“Food and wine. Decide which is the soloist, which the accompanist.”
- *Michael Broadbent*
