Founded in 2007, Secret Kitchen has become a reputable restaurant chain in Victoria serving exquisite Chinese cuisines. Under the China Bar Group's umbrella, Secret Kitchen is another successful brand that evolves from time to time to bring new vibes to our customers. Secret Kitchen strive to maintain its food quality, high standards in presentation and service as its predecessor – albeit with a stronger focus on a menu that combines creative flavour combinations, high-end ingredients and fresh locally sourced seafood.

Some of the signature dishes of Secret Kitchen are the fiery Szechuan Spicy Fish, Signature Roast Goose and Braised Green Lip Abalone - we vouched that every dish served is authentic and enticing. One of our most popular desserts are our house-made desserts such as Flaky Durian puffs and Green Tea Osmanthus Cake that makes a perfect match with our exquisite Chinese tea.

To complement with the menu, Secret Kitchen qualified sommeliers has created an extensive wine list ranging from the local award-winning wines to international wines such as the most sought-after Australian labels Penfolds Grange. Our sommeliers chose the finest wines to pair with our finest dishes exclusively for our customers.
